

Virtual Event:

Launch of reports on

Coastal Cities of the WIO Region and the Blue Economy

WIOMSA and UN-Habitat will be launching four blue city economy case studies (Mombasa, Dar es Salaam, Port Louis and Kilifi) and a strategic 'Roadmap for the Development of the Blue Economy in Coastal Cities'. The blue city case studies outline broadly the current situation concerning the blue economy in coastal cities across the Western Indian Ocean region; while the road map provides recommendations for cities in current and future blue economy planning, activities and investment.
